Phone Numbers

Horizontal lines for phone numbers

Unless otherwise noted, meetings are one hour long. The local phone number on the front has the most current schedule information. In many cases, a contact person is available to give directions to specific meetings. The national toll-free number listed can give you meeting information for other counties, cities or states. This can be helpful for vacations or if you move.

When an Al-Anon or Alateen group is listed on the schedule, there is an informal agreement that the Group will abide by Al-Anon Traditions and keep its doors open to any Al-Anon member. Listing in this directory does not constitute approval of any group's manner of practicing the Al-Anon Program. If the group that you attend is not right for you, please try another. There is help available through Al-Anon.

Revised March 2011

The Al-Anon Family Groups, which includes Alateen, are a fellowship of relatives and friends of alcoholics who share their experiences, strength, and hope in order to solve their common problems. We believe alcoholism is a family illness and that changed attitudes can aid recovery.

Alateen and Adult Children of Alcoholics meetings are listed in bold italic.
